# 2400HC

The Alrick 2400 Homecare Bariatric Series Bed is engineered with a robust design to ensure safety and stability.

The bed's sturdy construction, reinforced frame, and high-quality materials contribute to its exceptional weight capacity, boasting an impressive safe working load capacity of 400kg.

Whether you require additional support due to medical conditions or simply prefer the reassurance of a higher weight limit, this bed delivers strength and durability from King Single width to King.
