Plexa

Plexa Series Bed

Alrick.

Plexa

The Plexa Series Bed is designed to provide safe and comfortable sleeping arrangements for individuals with complex needs. This bed includes full-length rails to provide security, featuring a locking system, ensuring the rails stay in place while the user is sleeping.

An additional feature is the height adjustment making transfers in and out of bed with ease, designed with a durable frame and available in various sizes to accommodate the user's needs.

FEATURES

- APO Grey Powdercoated Frame
- Auto-regression Back Rest
- Trendelenburg
- 75mm Castors
- Vertical Lift
- Extremely Low Minimum Position

Natural Oak Head & Footboard

Bluetooth connectivity
handset must be ordered separately

Full Length Timber Drop Down Rails
